

## Material Technical Data Sheet of Polypropylene Recycled

Issue date: 04/04/2024

### Product Description

Item: Polypropylene – PP – Recycled

Quality: PP Regrinds Black 10 mm GT (88S12T4C10)

### General Information

- Regenerated from 100 % post-industrial waste
- Regrinds -10 mm screen
- Colors: Black- dark grey .

### Physical Properties

Property	Conditions	Test Method	Value	Units
MFI	2,16 kg, 190°C	ISO 1133	5 - 6	g/10 min

### Notes

Material properties are typical, originate from the supplier, and should not be construed as specifications. Users are advised to confirm results by their own tests.
