Logistické centrum Smidl
Vořtice 931
566 01 Vysoké Mýto

Confirmation EMS: 495216/10
Customer Order No.: 4505033924

Product:
GRIVORY HTV-5H1 BLACK 9205
BAG A/P 25KG A2B
9008

Delivery Note: 81532022/10
Delivery Date: 14.11.2025

Quantity [kg]: 10500
Production No.: 2052713 10 16 18

To:
Fax No.: +420272658348

Properties		Production No.:	
Moisture Content	ISO15512 %	2052713	
Ash Content	ISO3451 %		
Viscosity number in m-cresol at 20 °C	ISO307 ml/g		

We hereby certify that the material fully corresponds to the agreed properties and condition. The applicable procedures such as sampling, test plan and methods are described in our quality system in accordance with IATF 16949 and certified by SQS. The test results have been determined to the best of our knowledge. Our company does not accept any liability for properties of parts manufactured from this material. In addition, the qualification of the product for a given application cannot be derived from the data and must be ascertained by the customer. The certificate does not release the customer from a received material inspection. The general sales terms and conditions of purchase of EMS-CHEMIE AG apply. These can be downloaded at www.emsgrivory.com. This document is issued electronically and is valid without signature.
