

ECOYADI-2 SP. Z O.O.

Material & Quantity

ABS BK812
Recycled
Granules
200 MT/month

Material	ABS
-----------------	-----

Form	Pellets
-------------	---------

Source	Post-consumer
---------------	---------------

Grade	Injection/Extrusion
--------------	---------------------

Total Quantity	150 MT
-----------------------	--------

Color	Black
--------------	-------

Application

Electronics , Hangers , Spools , sheets , ETC.

Specs & Testing

Melt Flow Index	25-35 g/10min
------------------------	---------------

Density/Specific Gravity	1.06-1.10 g/cm ³
---------------------------------	-----------------------------

Toughness/Impact (Izod)	11-12KJ/m ²
--------------------------------	------------------------

Tensile Elongation at Break	22%
------------------------------------	-----

Tensile Strength	/
-------------------------	---

Flexural Strength	/
--------------------------	---

Flexural Modulus of Elasticity	/
---------------------------------------	---
