

ECOYADI-2 SP. Z O.O.

Material & Quantity

ABS GR812
Recycled
Granules
50 MT/month

Material	ABS
----------	-----

Form	Pellets
------	---------

Source	Post-consumer
--------	---------------

Grade	Injection Molding/Extrusion
-------	-----------------------------

Total Quantity	50 MT
----------------	-------

Color	Gray
-------	------

Application

Electronics , Hangers , Spools , suitcase , Furniture , ETC.

Specs & Testing

Melt Flow Index	15 g/10min
-----------------	------------

Density/Specific Gravity	1.08-1.10g/cm ³
--------------------------	----------------------------

Toughness/Impact (Izod)	10-11 KJ/m ²
-------------------------	-------------------------

Tensile Elongation at Break	15.00 %
-----------------------------	---------

Tensile Strength	/
------------------	---

Flexural Strength	/
-------------------	---

Flexural Modulus of Elasticity	/
--------------------------------	---
